RECORD OF THE

IOWA GENERAL ASSEMBLY

& GOVERNOR

This voting record covers only recorded floor votes of the Iowa Senate and Iowa House that are of utmost importance to labor. Thus, unfortunately, not all of our priorities are in the record, and we must use other means to determine legislators' positions on those issues until such time as there is an official vote. This record does, however, serve as a tool to help Iowa trade unionists assess whether or not their elected representatives support an agenda that benefits all workers, organized or not.

The Iowa Federation of Labor also scores the Governor's actions so members can understand the record of the executive branch of government. Legislation that the IFL supported or opposed, that a Governor signs, vetoes, or line-item vetoes will also be scored, as well.

#	Bill Name & IFL Position	Bill Description
1	<p>HF 2612 - AEA Overhaul, SSA Increase and Educator Compensation (Final Passage)</p> <p>IFL POSITION: OPPOSE</p> <p>BILL PASSED SENATE 30-18</p> <p>2 Absent or Not Voting</p> <p>March 26th, 2024</p> <p><i>PASSED BY HOUSE, SENATE AND SIGNED BY THE GOVERNOR</i></p>	<p>This AEA bill was the most controversial piece of legislation this year. It will likely have a devastating effect on the AEA system that lowans depend on and also includes raising starting pay for educators.</p> <p>Starting in 2025, AEAs will receive only 90% of state funding for special education. General education and media service funding will not go to the AEAs and can be kept by the district or paid to private providers. An estimated 350 AEA employees have resigned since the Governor’s AEA overhaul announcement at the Condition of the State.</p> <p>The bill includes a 2.5% increase to Supplemental State Aid (SSA) which is approximately \$100 million. By contrast, private school vouchers (passed in 2023) are estimated to be about \$180 million, which is an increase of \$50 million from last year.</p> <p>Lastly, the bill increases the starting salary for full-time teachers to \$47,500 (1st yr) and \$50,000 (2nd yr). Teachers with 12 years’ experience receive a minimum \$60,000 (1st yr) and \$62,000 (2nd yr).</p>
2	<p>SF 2385 - Eliminate/Restructure Boards Commissions (First passage by the Senate)</p> <p>IFL POSITION: OPPOSE</p> <p>BILL PASSED SENATE 30-14</p> <p>6 Absent or Not Voting</p> <p>April 10th, 2024</p> <p><i>PASSED BY HOUSE AND SIGNED BY THE GOVERNOR</i></p>	<p>In 2023, the Governor signed a bill that reorganized state government administration. Part of that bill was to evaluate and recommend changes to Iowa’s boards and commissions.</p> <p>The recommendation included the elimination of the Elevator Safety Board, Boiler and Pressure Vessel Board, Electrical Examining Board, and Plumbing & Mechanical Systems Board. This version included cutting the Electrical Examining Board, and Plumbing & Mechanical Systems Board, which we opposed. Fortunately, those cuts were not in the final legislation because of union efforts.</p> <p>Other labor-related changes that were included in the final bill include moving the responsibilities of the Public Employment Relations Board to the Employment Appeals Board and consolidating the Iowa Workforce Development Board by shrinking business representation from 17 to 10 members and labor voting representation from 4 to “at least 2.”</p>
3	<p>SF 2311 - Outsource Elected Iowa State Auditor Duties</p> <p>IFL POSITION: OPPOSE</p> <p>BILL PASSED SENATE 31-16</p> <p>3 Absent or Not Voting</p> <p>February 19th, 2024</p> <p><i>WAS NOT TAKEN UP FOR DEBATE BY HOUSE</i></p>	<p>Allows a state agency to hire a CPA to perform an audit and release the results to the State Auditor, rather than have the Auditor perform the audit. The cost of the audit is paid from the funds that would have been paid to the Auditor if they had performed the audit. The bill could very well increase costs to Iowa taxpayers.</p> <ul style="list-style-type: none"> • As the Fiscal Note states, CPAs cost more than what the Auditor charges and any increased costs would be put back on the backs of the taxpayer. • There are no bidding requirements like in other areas of public government spending. Public construction projects, for example, are restricted to a strict low bid procedure. • Provides no oversight from the office of the elected Auditor for CPA firms chosen to conduct the audits.

4	<p><i>HF 2680 - CHANGES TO THE 411 RETIREMENT SYSTEM FOR POLICE OFFICERS AND FIRE FIGHTERS</i></p> <p><i>IFL POSITION: SUPPORT</i></p> <p><i>BILL PASSED SENATE 46-0</i> <i>4 Absent or Not Voting</i></p> <p><i>PASSED BY HOUSE AND SIGNED BY THE GOVERNOR</i></p>	<p>HF 2680 fixes issues with tax implications of surviving spouses, issues with fairness in member of good standing, recognizing PTSD, and recognizing cumulative injuries in the 411 system. All things our brothers and sisters in IPERS Protected Class have, bringing parity to all firefighters and EMS providers working across Iowa. It is one of the largest enhancements to the 411 system since adding presumptive cancer in 2009.</p> <p>The legislation began in 2019 and has passed the House five times since. This year the legislation finally passed both chambers and was signed by the governor.</p>
5	<p><i>SF 108 - E-VERIFY</i></p> <p><i>IFL POSITION: OPPOSE</i></p> <p><i>BILL PASSED SENATE 30-17</i> <i>3 Absent or Not Voting</i></p> <p><i>WAS NOT TAKEN UP FOR DEBATE BY HOUSE</i></p>	<p>SF 108 requires employers in Iowa to use the federal E-Verify system to verify the indemnity of employees. Unfortunately, the E-Verify system is flawed and those flaws can cost American workers their jobs.</p> <p>E-Verify errors can come from an employer who incorrectly enters information or errors within the E-Verify system. If incorrect information is identified, it can take days to fix the error, leaving workers without a job.</p> <p>Studies have shown that states that have increased use of E-Verify has not shown notable drops in illegal workers. In fact, using E-Verify could push workers further underground where workplace abuses are prevalent.</p>
6	<p><i>HJR 2006 - Constitutional Amendment, Two-Thirds Vote to Increase Certain State Taxes #1</i></p> <p><i>IFL POSITION: OPPOSE</i></p> <p><i>BILL PASSED SENATE 31-13</i> <i>6 Absent or Not Voting</i></p> <p><i>PASSED BY HOUSE</i></p>	<p>Proposed constitutional amendments must be passed by both chambers in two consecutive General Assemblies and ratified by a majority of the electors voting at an election designated by the General Assembly.</p> <p>If approved by the voters, any increase in individual income taxes, corporate income tax rate, or the rate of any other type of tax based upon income or legal and special reserves would require two-thirds of both chambers.</p> <p>Over the last several decades our state and country have seen the biggest tax cuts go to corporations and the highest income earners. An amendment like this would make it nearly impossible to raise taxes on corporations or create a wealth tax.</p>
7	<p><i>SJR 2004 - Constitutional Amendment, Require a single rate (flat tax) for income taxes on individuals #1</i></p> <p><i>IFL POSITION: OPPOSE</i></p> <p><i>BILL PASSED SENATE 34-15</i> <i>1 Absent or Not Voting</i></p> <p><i>PASSED BY HOUSE</i></p>	<p>Proposed constitutional amendments must be passed by both chambers in two consecutive General Assemblies and ratified by a majority of the electors voting at an election designated by the General Assembly.</p> <p>If approved by the voters, this would require that Iowa impose a single rate income tax for any tax rate above zero. Sometimes called a flat tax, this would require low and middle income earners to pay the same tax rate as millionaires and billionaires.</p> <p>The highest income earners already pay a lower percentage of their income in taxes than everyone else and a "flat tax" benefits the highest earners most of all.</p>

#	Bill Name & IFL Position	Bill Description
1	<p>HF 2612 - AEA Overhaul, SSA Increase and Educator Compensation (Final Passage)</p> <p>IFL POSITION: OPPOSE</p> <p>BILL PASSED SENATE 30-18</p> <p>2 Absent or Not Voting</p> <p>March 26th, 2024</p> <p><i>PASSED BY HOUSE, SENATE AND SIGNED BY THE GOVERNOR</i></p>	<p>This AEA bill was the most controversial piece of legislation this year. It will likely have a devastating effect on the AEA system that lowans depend on and also includes raising starting pay for educators.</p> <p>Starting in 2025, AEAs will receive only 90% of state funding for special education. General education and media service funding will not go to the AEAs and can be kept by the district or paid to private providers. An estimated 350 AEA employees have resigned since the Governor's AEA overhaul announcement at the Condition of the State.</p> <p>The bill includes a 2.5% increase to Supplemental State Aid (SSA) which is approximately \$100 million. By contrast, private school vouchers (passed in 2023) are estimated to be about \$180 million, which is an increase of \$50 million from last year.</p> <p>Lastly, the bill increases the starting salary for full-time teachers to \$47,500 (1st yr) and \$50,000 (2nd yr). Teachers with 12 years' experience receive a minimum \$60,000 (1st yr) and \$62,000 (2nd yr).</p>
2	<p><i>HF 2680 - CHANGES TO THE 411 RETIREMENT SYSTEM FOR POLICE OFFICERS AND FIRE FIGHTERS</i></p> <p><i>IFL POSITION: SUPPORT</i></p> <p><i>BILL PASSED HOUSE 95-0</i></p> <p><i>5 Absent or Not Voting</i></p> <p><i>PASSED BY SENATE AND SIGNED BY THE GOVERNOR</i></p>	<p>HF 2680 fixes issues with tax implications of surviving spouses, issues with fairness in member of good standing, recognizing PTSD, and recognizing cumulative injuries in the 411 system. All things our brothers and sisters in IPERS Protected Class have, bringing parity to all firefighters and EMS providers working across Iowa. It is one of the largest enhancements to the 411 system since adding presumptive cancer in 2009.</p> <p>The legislation began in 2019 and has passed the House five times since. This year the legislation finally passed both chambers and was signed by the governor.</p>
