Essay Question:

The scholarship application requires two parts:

- 1) Please answer the essay question in the Google Form provided, or mail/email the completed pdf application as noted in the application. Watch Mac's speech at the 2018 Iowa Federation of Labor annual convention. As a rising high school graduate, please respond to the following question as it pertains to the contents of Mac's legal report to the 2018 convention. What did you take away from Mac's speech and how can we use those lessons in the labor movement today?

Your response cannot exceed 250 words.

- 2) The second criterion for you as an applicant is to attend a public meeting/forum in-person during 2026 and document your experience. Write a brief summary of that meeting and what you learned from attending. It must be an event that is open to the public for anyone to attend. For example, you could attend a school board meeting, city or county board meeting, caucus, zoning commission meeting or a political candidate's debate.
